

# God Loves You And Wants To Tickle You

Charlie Robinson – January 25, 2009

Sin prevents Jesus from getting to you.

Your degree of revelation of the love of God determines your degree of love for Him.

If Jesus was interested in being right, He would have thrown the first stone. But Jesus was more interested in mercy.

The jealous love of god is a consuming fire. So you must become fire too, or you will get burnt.

God is who He is, and doesn't need to be anyone else. We are in the image of God, and so we are free to be who we are. And THEN we can receive the free love of God.

Miracles are Apostolic signs of God's love for you.

If a father gives good gifts (like tickling), what about God?

How do you experience the Father's love? Hang around Jesus!

God is love, and God is looking for love (those who are like Him).

Your "first love" doesn't come from you, it comes from God.

Ministry is going down (not up).

Don't stop until you get a testimony.

Become like a little child. Why? A little child enjoys life.

Pharisees do not enter heaven (present tense) and they stop those who want to.

In the presence of the Lord there is fullness of joy.

Eph. 2:6 – we are seated in the heavenly realm.

Blessing = "to smile upon"

Psalm 80:3 – smile on us.

Psalm 80:7 – smile on us.

Psalm 2:4 – God laughs

2 Corinthians 4:4 – Blinded can see the light

2 Corinthians 4:6 – Light shines ... shines from Christ's face

Let God tickle you.

Joy unspeakable and full of glory.

Rumour = a story told by someone else. (It may be true or false).

You must have a testimony of what YOU have seen and heard.

Must know God's WORD and his VOICE.

Learn how to be a friend of God.

Don't ask God "why" unless you want to know WHY.
